MEMORANDUM FOR: CHIEF, PROCUREMENT DIVISION/LO

ATTENTION: Chief, Contracts Branch

SUBJECT: Development Production of 100 Prototypes of Beacon,
Field Marking, Infrared; P-60AREFERENCE: Secret Memo from C/TSS/APD to C/PD/LO dated 6 July
1953; Subject: Initiation of Task I Under Contract
No. RD-50 s.a. with [REDACTED]

50X1

1. The referenced memorandum requested that action be taken to initiate Task I [REDACTED] for the production of 100 prototypes of the subject unit. It is understood that negotiation of this task is now in progress.

50X1

2. It is requested that the specification number be changed from specification #218 to specification #T-230. One copy of these specifications and drawings is in possession of [REDACTED] Company. None are in the hands of Procurement at the present time, since these are considered by TSS/APD to be tentative and subject to change after the test and evaluation of quantities of this production run of 100 units.

50X1

3. Attached herewith is one copy of tentative specification #T-230. Appropriate numbers of final specifications and drawings will be forwarded upon their completion.
